

## NOTICE OF RESUMED OPERATIONS

Date:- 26-Sep-2024

To: All Customers, Employees, and Directors

This is to formally notify that Tiscon Testing and Research Institute Pvt Ltd has resumed all operations as of September 26, 2024, following the temporary suspension of services from 19-Sep 2024 to 26 Sep Afternoon .

Please note, however, that we are still facing some email issues due to ongoing problems with our hosting provider. As a result, there may be intermittent disruptions in email communications.

The following are in effect:

**1. Restoration of Most Services:** Office and Laboratory operations are functioning, and the company premises is open to authorized personnel.

**2. Email Communication Issues:** Some official email services may still face delays or disruptions. We ask for your patience while we work with our hosting provider to resolve the issue as soon as possible.

**3. Alternate Communication Methods:**

- For urgent matters, please use the following:

- Email: laxmikant@tisconlab.com (C.E.O.) & lakhan@tisconlab.com (Quality Manager)

- WhatsApp: +91-9423-77-3036 (valid communication only via this phone)

Please refrain from using any other email addresses for official communication until further notice.

We sincerely appreciate your understanding and cooperation as we work to fully restore all services. If you have any concerns or require assistance, please reach out to the C.E.O. or Quality Manager directly.

Thank you for your continued support.

Sincerely,

Laxmikant Swami,

CEO,

Tiscon Testing and Research Institute
